As a token of our gratitude, we have prepared a "One Extra Day for Luxury" plan which allows our guests to enjoy the unique snowy scenery and skiing experience of Niseko, surrounded by glorious sunshine.

This plan offers a complimentary third-night stay for guests who book a King Suite or 2 Bedroom Suite exclusively through the official website. Enjoy a relaxing and luxurious time in the spring, when the weather is clear and sunny, while taking in the view of the blue sky in the snowy landscape from your window. You can also experience the bliss of skiing with an amazing view of the beautiful Mt. Yotei right before your eyes.

Furthermore, in order to make your stay even more delightful, HITO by TACUBO, an Italian all-day dining restaurant produced by Chef Daisuke Takubo, owner chef of TACUBO, which has been featured in the Michelin Guide Tokyo with one star consecutively for six years since 2017, offers a complimentary three-day breakfast and one dinner course during your stay (reservation required). Enjoy the unique gastronomy experience at MUWA NISEKO, including the signature Wood-fired Tokachi Herb Beef Sirloin and a variety of dishes using seasonal local ingredients, to savor the transition to spring in Niseko from your taste buds as well.
