

フジツボによる「丕」

An underwater photograph showing sunlight filtering through the water surface, creating a bright, shimmering effect. The water is a deep blue-green color. In the foreground, there is a rocky seabed covered with various marine life, including what appears to be coral or seaweed. The overall scene is vibrant and captures the beauty of the ocean's depths.

海は…

生命の宝庫

An aerial photograph of a coastal city, likely Antalya, Turkey. The city is densely packed with buildings, mostly with red-tiled roofs. In the foreground, a prominent stone tower with a crenellated top stands on a hillside. The city extends to a curved beach and a harbor area with several boats. A long pier or breakwater extends into the deep blue sea. In the background, there are large, rugged mountains under a clear sky.

共存共榮

海一人

An aerial photograph of a city, likely in Japan, showing a river flowing through it. In the background, there are mountains and several industrial smokestacks emitting plumes of smoke. The overall tone is somewhat desaturated and historical.
