

ImmuniWeb names Shoichiro Tanaka as to the Advisory Board

15th Aug 2022

Geneva, Switzerland / Tokyo, Japan – ImmuniWeb SA, a global application security company, is delighted to confirm nomination of Mr. Shoichiro Tanaka to the [Advisory Board](#) of the company headquartered in Geneva and serving over 1,000 customers around the globe.

Mr. Tanaka runs global corporate law firm, seasoned investor and the CEO of TANAACK, having many years of experience serving on Boards of multi-billion public and private companies. The nomination brings the unique managerial and leadership experience of Mr. Tanaka to the ImmuniWeb’s global growth strategy, namely in the APAC region where ImmuniWeb is already serving over 50 financial institutions on a regular basis.

Mr. Iliia Kolocheneko, CEO at ImmuniWeb, says:

“We warmly welcome Tanaka-San to our Team. I have been always impressed by his global vision, ability to deliver an outstanding performance and care about sustainable development. Being a global application security leader, ImmuniWeb will now boost its presence in the APAC region – that we believe to have an immense potential and need for cybersecurity. Our award-winning AI technology will bring the so-needed quality and cost-efficiency to the rapidly growing APAC market. More exciting announcements are coming from the region, please stay tuned.”

Mr. Shoichiro Tanaka says:

“Management is the science of the averages; Leadership is the art of the exception. It’s really an honor to me to build long-term relationship within really innovative organization and get chance to trail together to be legend.”
