SIDO gives 1,000 yen infinity points for free at Azabu-Juban Noryo Festival — Great deal! Sign up for SIDO and get 1,000yen points for free —

BNC K.K. (Minato-ku, Tokyo) announced that they will promote SIDO (Secure ID Online) setting up their own booth at Azabu-Juban Noryo Festival in August 23rd and 24th. SIDO offers 1,000 infinity points (1 points=1 yen) to whom sign up for new SIDO account.

Azabu-Juban Noryo Festival is presented by Azabu-Juban Shopping District community. This festival held during the last weekend of August and 2014 marks the 48th time since it has been held. 5 hundred thousands of people will come to the festival. There are two types of food stalls – stalls from the many members of the local food and hospitality association and stalls from a representative from other nationality food. We cannot end summer without this festival which is a Fusion of Japanese tradition and internationalities. Majority of SIDO users are foreign nationals living in Tokyo area and this festival will be a great place to visit to our current users.

SIDO, Secure ID Online is an online wallet which you can use for credit card payment at both streetwise stores and online stores. We will distribute a lot of fans with QR code to access SIDO sign up link.

We offer a special deal, 1,000 yen infinity points, for anyone who sign up for new SIDO account and the point will be available instantly at 10 SIDO streetwise stores in Azabu Juban (3 streetwise stores has stalls at the festival). We have been developed SIDO community around Azabu Juban and Roppongi areas. We would like to contribute bringing more people to our “home” Azabu Juban.
